Principal's Report: Cathy

- School Organization - we have received the same number of teachers and classes for next year. Configurations may be different based on numbers. Also we were allocated two Educational assistants.
- Graduation update - We will be celebrating students but we are not sure what that will look like yet. We do have some SGF money from last year that we could use for a small gift or decorations for curbside. If we return to in person we may be able to record a ceremony.
- Volunteer appreciation - we appreciate the support of all our volunteers!
- TVPIC - Samantha Melnick
- Backstop installed in early April - thank you for your generous contribution
